Recommended

In G.O.No. 669, Mis, Development, dated 8th April 1929, the post of temporary draftsman sanctioned to this Office in 1919 has been made permanent in the scale of Rs. 35-35-1½ - 50-1-60. K. P. Damodaran who was acting as Draftsman in No. 8 Survey Party, Cannanore continuously from 10-9-1920, was appointed by me as Draftsman of my Office, and he is working as such from 16-5-1928. He is a qualified man for the post, and has been working satisfactorily.

His age, as per the service register maintained in the Office of the Survey Party, is 28 years, his date of birth being 24-8-1901. As I now wish to confirm him in his present post of draftsman, I request that he may be kindly exempted from the age limit. He has a continuous service of over 8 years (including his service in the Survey Party & in this Office) as he joined service on 10-9-1920.
